

Wincham Parish Council RISK ASSESSMENT

Table 1 Area where there may be scope to use insurance to help manage risk	
Risk Identification	Council's response
<p>Insurance cover for risk is the most common approach to certain types of inherent risks:</p> <p>The protection of physical assets owned by the council – buildings, furniture, equipment, etc. (loss or damage)</p> <p>The risk of damage to third party property or individuals as a consequence of the council providing services or amenities to the public (public liability)</p> <p>The risk of consequential loss of income or the need to provide essential services following critical damage, loss or non-performance by a third party (fidelity guarantee)</p> <p>Legal liability as a consequence of asset ownership</p>	<p>Comprehensive insurance is in place with Zurich</p> <p>These items are covered.</p> <p>Public liability insurance cover for £10,000,000</p> <p>Fidelity cover for £250,000</p> <p>Reviewed at appropriate times in the year.</p>

(public liability)	As above
<p>Internal controls</p> <p>A council's internal controls may include:</p> <p>An up to date register of assets and investments</p> <p>Regular maintenance arrangements for physical assets</p> <p>Annual review of risk and adequacy of cover</p> <p>Ensuring the robustness of insurance providers</p>	<p>Council's response</p> <p>Yes, reviewed annually</p> <p>Playing field equipment inspected every month by local contractor and ROSPA once a year</p> <p>Use insurance recommended by organisations NALC/ChALC</p>
<p>Internal audit assurance</p> <p>Internal audit testing may include:</p> <p>Review of internal controls in place and their documentation</p> <p>Review of management arrangements regarding insurance cover</p> <p>Testing of specific internal controls and reporting findings to management</p>	<p>Council's response</p> <p>This is covered by general management arrangements with a financial calendar with reports to the Council.</p> <p>Insurance risk reviewed annually</p> <p>Also compliance with Standing Orders</p>

Table 2	
Areas where there may be scope to work with others to help manage risk	
Risk Identification	Council's response
<p>The limited nature of internal resources in most local councils means that councils wishing to provide services often buy them in from specialist external bodies, e.g.</p> <p>Maintenance for vulnerable buildings, amenities or equipment</p> <p>The provision of services being carried out under agency/partnership agreements with principal authorities</p> <p>Banking arrangements, including borrowing or lending</p> <p>Ad hoc provision of amenities/facilities for events to local community groups</p>	<p>None</p> <p>Present banking arrangements with National Westminster Bank.</p>

<p>Markets management</p> <p>Vehicle or equipment lease or hire</p> <p>Trading units (leisure centres, playing fields, burial grounds, etc.)</p> <p>Professional services (planning, architects, accountancy, design etc.)</p>	<p>N/A</p>
<p>Internal controls</p> <p>A council's internal controls may include:</p> <p>Standing orders and financial regulations dealing with the award of contracts for services or the purchase of capital equipment</p> <p>Regular reporting on performance by suppliers, providers, contractors</p> <p>Annual review of contracts</p> <p>Clear statements of management responsibility for each service</p> <p>Regular scrutiny of performance against targets</p> <p>Adoption of and adherence to codes of practice for procurement and investment</p> <p>Arrangements to detect and deter fraud and/or corruption</p>	<p>Council's response</p> <p>In place, reviewed annually or if a change of circumstances occurs</p> <p>WPC activities are not on such a regular basis to require such controls. Individual projects have controls in place</p>

Regular bank reconciliations, independently reviewed	Internal and External Audits carried out
<p>Internal audit assurance</p> <p>Internal audit testing may include:</p> <p>Review of internal controls in place and their documentation</p> <p>Review of minutes to ensure legal powers are available, and the basis of the powers recorded and correctly applied</p> <p>Review and testing of arrangements to prevent and detect fraud and corruption</p> <p>Review of adequacy of insurance cover provided by suppliers</p> <p>Testing of specific internal controls and reporting findings to management</p>	<p>Council's response</p> <p>A comprehensive internal audit is provided by JDH Business Services Ltd.</p> <p>This is done on an individual basis because of small number of projects undertaken.</p>
<p>Table 3</p> <p>Areas where there may be a need to self-manage</p>	
<p>Risk identification</p> <p>There are a number of activities that create business risks but do not fall easily into either of the above categories for a number of reasons, principally because they are either difficult to quantify or</p>	<p>Council's response</p> <p>Council has a working party concerned with the management of the Linnards Lane Playing Field and for the Chapel Street Playing Field. The working party reports back to full Council.</p>

<p>considered inefficient to have provided externally or just uninsurable.</p> <p>Keeping proper financial records in accordance with statutory requirements`</p> <p>Ensuring all business activities are within legal powers applicable to local councils</p> <p>Complying with restrictions on borrowing</p> <p>Prevent Supplier Fraud Most standard local council insurance policies do not cover supplier fraud. The supplier fraud risks can be managed via appropriately robust policies.</p>	<p>Done</p> <p>Done and checked on internal audit</p> <p>No current borrowing</p> <p>Training for staff to alert them to the potential risk of providing sensitive company information by phone or other means, especially contract and account information</p> <p>Establish a rigorous change of supplier details procedure – where a supplier has purported to change their bank details, if ever paying by bank transfer, always call the supplier to check the veracity of a request, using details in your system, rather than those on any associated letter or email. A person should be authorised to approve a supplier bank account change after having reviewed the process undertaken to verify the supplier details change;</p> <p>Periodic review of supplier accounts should also be undertaken to remove any dormant accounts.</p> <p>This reduces the likelihood of any old supplier</p>
---	---

	<p>information being used to secure financial payments;</p> <p>Checking address and financial health details with Companies House;</p> <p>Checking samples of any online payments to supplier invoices to ensure the payment has been made to the supplier bank account.</p> <p>Only to pay invoices by cheque, not by any kind of bank transfer, so that the name of the company is on the cheque;</p> <p>Make checks on Trust Pilot and Companies House;</p> <p>Check each bank statement to account for all cheques paid;</p>
<p>Ensuring that all requirements are met under employment law and Inland Revenue regulations</p>	<p>To telephone suppliers if in any doubt.</p>
<p>Ensuring all requirements are met under Customs and Excise regulations (especially VAT)</p>	<p>To be careful if any changes are made to the ways to pay an established supplier and when using a new supplier</p>
<p>Ensuring the adequacy of the annual precept within sound budgeting arrangements</p>	
<p>Monitoring of performance against agreed standards under partnership agreements</p>	<p>Professional advice taken where necessary</p>
<p>Ensuring the proper use of funds granted to local community bodies under specific powers or under section 137</p>	<p>Check done and internal audit</p>
<p>Proper, timely and accurate reporting of council business in the minutes</p>	<p>Part of the budgeting is checked on internal audit</p>
<p>Responding to electors wishing to exercise their rights</p>
