#### 4. Budget and precept

4.1. **Before setting a precept, the council must calculate its council tax requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

4.2. Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually.

4.3. No later than January each year, the RFO shall prepare a draft budget with detailed estimates of all receipts and payments for the following financial year, taking account of the lifespan of assets and cost implications of repair or replacement.

4.4. Unspent budgets for completed projects shall not be carried forward to a subsequent year.

4.5. The draft budget, including any recommendations for the use or accumulation of reserves, shall be considered by the finance committee and a recommendation made to the council.

4.6. Having considered the proposed budget, the council shall determine its council tax requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

4.7. **Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**

4.8. The RFO shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.

4.9. The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

4.10. Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council or relevant committee.

## 5. Procurement (please refer for a summary to the Appendix)

- 5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.
- 5.3. Every contract shall comply with the council's Standing Orders and these Financial Regulations and no exceptions shall be made, except in an emergency.
- 5.4. **For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and The Procurement Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**
- 5.5. Where the estimated value is below the Government threshold, the council shall (with the exception of items listed in paragraph 5.11) obtain prices as follows:
- 5.6. **For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation regarding the publication of invitations and notices.**
- 5.7. For contracts greater than £5000 excluding VAT the clerk shall seek at least three fixed-price quotes;
- 5.8. Where the value is between £1000 and £5000 excluding VAT the clerk shall try to obtain 3 estimates which might include evidence of online prices or recent prices from regular suppliers.
- 5.9. For smaller purchases, the clerk shall seek to achieve value for money.
- 5.10. **Contracts must not be split to avoid compliance with these rules.**
- 5.11. The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:
  - i. specialist services, such as legal professionals acting in disputes;
  - ii. repairs or works to, or parts for, existing machinery or equipment or trees or bushes growing on council land;
  - iii. works, goods or services that constitute an extension of an existing contract;
  - iv. goods or services that are only available from one supplier or are sold at a fixed price.
- 5.12. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the council. Avoidance of competition is not a valid reason.
- 5.13. The council shall not be obliged to accept the lowest or any tender, quote or estimate.

5.14. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- the Clerk, under delegated authority, for any items below £1000 excluding VAT.
- the Clerk, in consultation with the Chair or Vice Chair of the Council, for any items below £5,000 excluding VAT
- the council for all items over £5,000;

Such authorisation must be supported by a minute (in the case of council or committee decisions) or other auditable evidence trail.

5.15. No individual member, or informal group of members may issue an official order unless instructed to do so in advance by a resolution of the council or make any contract on behalf of the council.

5.16. No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council or a duly delegated committee acting within its Terms of Reference except in an emergency.

5.17. In cases of serious risk to the delivery of council services or to public safety on council premises, the clerk may authorise expenditure of up to £5000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair or Vice Chair as soon as possible and to the council as soon as practicable thereafter.

5.18. No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

5.19. An official order or written communication shall be issued for all work, goods and services above £1000 excluding VAT unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

5.20. Any ordering system can be misused and access to them shall be controlled by the RFO.

## **6. Banking and payments**

All payments are made by cheque with three signatures, two by authorised members and the third by the RFO. Even where a purchase has been authorised, the payment must also be authorised and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

  - iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 or to comply with contractual terms, where the due date for payment is before the next scheduled meeting of the council, where the Clerk and Chair or Vice Chair certify that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council for retrospective authorisation
- 6.8. The RFO shall present a schedule of payments requiring authorisation, forming part of the agenda for the meeting, together with the relevant invoices, to the council or finance committee. The council or committee shall review the schedule for compliance and, having satisfied itself, shall authorise payment by resolution.
